*Re: Pioneer Services, et al v. Auto-Owners, et al*

Gentlemen:

I am writing to confirm my conversation with Joel this afternoon wherein we agreed to cancel the depositions tentatively scheduled for next week. I would ask both of you to look at your calendars for deposition dates including the following, Friday May 5<sup>th</sup>, Monday May 8<sup>th</sup>, Tuesday May 9<sup>th</sup>, Wednesday May 10<sup>th</sup>, Thursday May 11<sup>th</sup> and Friday May 12<sup>th</sup>. I have a Workers' Compensation trial scheduled for the 11<sup>th</sup> that will require me to skip the 10<sup>th</sup> and 11<sup>th</sup> for deposition dates. It is possible that case will be continued, as this is its first trial setting. Please let me know if your calendars can accommodate these dates.

This will also confirm Joel and I discussed my letter of March 24<sup>th</sup> concerning discovery responses and Joel is forwarding to me several pages of additional discovery and is reviewing potential additional responses with his client in order to determine if he can respond more fully to my earlier requests. Joel, I will await your revised responses and if your client generates a list of claims files in response to my discovery requests I would ask that you allow me to inspect those claims files far enough in advance of the depositions for me to make copies prior to the depositions to make use of that information at the depositions. We did not discuss production of the color copies of the photographs mentioned in my letter and I would ask that you provide those to me at your first convenience. We also did not mention the privilege log I

requested in my March 24<sup>th</sup> letter, but I would ask that once you and your client make a final determination of how you will provide your responses to my discovery requests that you include a privilege log for any documents withheld.

Thank you for both of your cooperation in this matter and I look forward to hearing from you concerning the proposed new deposition dates.

Sincerely,

Farmer, Price, Hornsby & Weatherford, L.L.P.
